London Tenants Federation's core membership is currently made up of borough-wide and landlord-wide tenants' federations. We are soon to launch an 'Associate Membership' offer to individual TRAs, TMOs and Co-ops.

As an **Associate Member** your association would have more opportunities to participate and feed into our work at the London-wide level. You would also have greater access to our research findings and resources to help you exert influence and make changes at the local level.
